AUTO DRIVER Call on Mayor Blatchford IS EXONERATED

II WORSHIP, MAYOR BLATCHFORD, is in Vancouver attending the convention of mayors and public men from the western cities. Alderman Douglas is with him and the citizens of Edmonton can rest assured this

twill be ably represented at this very important conference

Few public men in Western Canada have to their credit
ore real accomplishments in the last two years than Mayor Blatchford.

Blatchford. Edmonton is fortunate in having a real live go getter at the head of its civic affairs. Without the slightest intention of passing over the valuable assistance of others, Mayor Blatchford has to his credit the building of our subways, the new eleford has to his credit the building of our subways, the new elevator, the starting of the new depot, the grain appeal board, adjustment of freight rates, the Jasper highway, and the building of huge coal bunkers by the Vancouver Harbor Commissioners. He alone did not make possible all of these needed developments, but he went, in season and out of season, and drove home the arguments to the proper authorities. His pertinacity and forceful logic were certainly deciding factors in some of them.

The following figures are ample justification of the Mayor's energetic campaign for the new elevator:

Mayor's energetic campaign	Bushela	Bushel
Elevator	Wheat Handled.	Dried
Moose Jaw	1,496,599	233,180
Saskatoon	2,750,000	376,000
Calgary		1,900,000
Edmonton		3,054,950
If Premier Brownles re		on how

If Premier Browniee really is seeking advice on how to apportion provincial taxation between the province and the cities, let him call in Mayor Blatchford, Mayor Wester of Caigary, and Mayor Hardy of Lethbridge. These men are successfully handling problems every bit as hig as any of those of the province. Unfortunately for the people, the provincial affairs are being handled in the most inefficient manner. This province is sadly in need of MORE B USINESS in government and LESS GOVERNMENT in business.

A Warning to Parents Whose Children Try to Take Their Money and Independence from Them—Shall He Give Up His Son to Please His Second Wife

Dear Drottly Dis-Just what does an old mather own her married dangeter who has married as net-role-well and mather law for married classifier who has married as net-role-well and mather law for married classifier. The married classifier was a first of the party in blanch fair the classifier of the c

property.

Dear Miss Dix—I am a widower with a very bright and attractive little 6 years old. Since his mother's death, I have been living with m, who has taken care of the child.

Either give up the girl or give your child to your sister, for if she is jealous of the little boy even before she marries you, she will make a cruel stepmother to him.

When a man brings a child into the world, he takes upon himself the responsibility for that child's well-being, and you cannot shunt that off on somebody else, Mr. Widower.

F you have grain to ship, If you have despatch it Vancouver Harbour Commissioners' Elevators. Your consignment will be handled speedily; you will be more than satisfied with the service you will receive. Hundreds of graingrowers are availing themselves of the Vancouver Grain Route. They are enjoying the benefit of a freight saving of 112 to 3 cents on every bushel shipped westward. Apart from the freight saving, the Vancouver Premium on grain is proving a great boon to Alberta and Saskatchewan grain-growers. Are you enjoying these benefits? Did you note the Vancouver grain quotations in your newspaper today?
